AISH and ADAP Repayment Agreement (DS0976)

Fillable working copy, with a plain-language guide

READ THIS FIRST

This is a fillable working copy that captures everything the official DS0976 asks. It opens and fills on any phone, tablet or computer. It is NOT an official Government of Alberta form.

The official form is at cfr.forms.gov.ab.ca/form/DS0976. It only opens in Adobe Acrobat Reader on a computer.

Before you sign anything, read the two sections below. This is an agreement, not a notice. What you sign here decides how much comes off your cheque.

This copy was rebuilt from the current official version, DS0976 Rev. 2026-07, downloaded from the government site on 18 October 2026.

What this form is

This is the agreement you sign when the government says you were overpaid and wants the money back. It is made under section 9 of the Assured Income for the Severely Handicapped Act. Signing it turns the amount written on it into a debt you have agreed to.

> *The Payer is voluntarily agreeing to repay any assistance provided OR is being required by the Minister or the Director to reimburse the Government of Alberta as a condition of eligibility for the assistance that may be provided*

Those are two different things sitting in one sentence. Voluntary, or a condition of eligibility. It is fair to ask which one you are being asked to sign under, and to ask for that in writing.

THE NUMBER THAT MATTERS

Section 2 of the form sets how much comes off your monthly benefit. The printed choices are: 10 percent of the maximum benefit, a second blank line, or "Other" with a dollar amount you write in.

"Other" exists on the form. If 10 percent of the maximum benefit would leave you unable to pay rent or eat, you can ask for a smaller amount and write it in that box.

Nothing on this form says 10 percent is required. It is the first option printed, not the only one.

Three more things worth knowing

- Check the amount before you sign. Section 1 asks for the dollar amount and what benefit it relates to. If you do not agree that you were overpaid, or you do not agree with the figure, that is an appealable decision and this agreement is not the place to settle it.
- This form can amend an earlier agreement. There is a box for "This Agreement amends the Agreement entered into on" with a date. If you already signed one, the new one should reference it.
- There are two copies. The form itself says "__ Client Copy __ File Copy". Make sure you leave with yours.
- If you do not keep to it, the form says: "If the Payer fails to meet the terms of this Agreement, the Government of Alberta may take necessary steps to enforce payment."
