Health Services Request (DS5551)

Fillable working copy, with a plain-language guide

READ THIS FIRST

This is a fillable working copy that captures everything the official DS5551 asks. It opens and fills on any phone, tablet or computer. It is NOT an official Government of Alberta form.

The official form is at cfr.forms.gov.ab.ca/form/DS5551. It only opens in Adobe Acrobat Reader on a computer. On a phone or in a web browser it shows a message saying it needs Adobe Reader.

Before you send this copy, ask your worker: "Will you accept this working copy of DS5551?" If they say no, ask them to email or mail you the official form.

This copy was rebuilt from the current official version, DS5551 Rev. 2026-07, downloaded from the government site on 18 October 2026.

What this form is for

Your AISH or ADAP health benefits cover prescription drugs, dental, optical, diabetic supplies and ambulance services. This form is how you ask AISH or ADAP to pay for a health service those benefits do not normally cover. The form names four services, and has a box for anything else:

- Acupuncture
- Chiropractic
- Massage Therapy
- Physiotherapy
- Other, which you name and the health professional explains

The form asks a doctor or other health professional to explain what condition is being treated, why the service is essential, what happens to your health without it, what else has been tried, what evidence supports the need, and how much improvement is expected and for how long.

About the form itself

Form number	DS5551
Official title	Health Services Request
Version	DS5551 Rev. 2026-07, printed on the form itself. This working copy was built from that version.
Security label	Protected B when completed. That is the government's label for sensitive personal information. Treat your filled-in copy the same way. Do not post it, and do not send it to anyone but your worker.
Program	AISH and ADAP. The 2026-07 version says "To be completed by the AISH or ADAP client or guardian on behalf of AISH or ADAP client." Earlier versions said AISH only.
Privacy law named	The 2026-07 version names sections 4(a) and 4(c) of the Protection of Privacy Act, and section 34 of the Health Information Act. Earlier versions named the FOIP Act, which Alberta replaced on 11 June 2025.
Official link	https://cfr.forms.gov.ab.ca/form/DS5551

Where it lives	On the government's form repository only. It is not linked from any public alberta.ca page that we could find on 18 October 2026, it was not on the old AISH policy manual forms page, and the new Disability Income Assistance policy manual has no forms page at all.
Archived copies	The Wayback Machine saved copies on 2 May 2025 and 1 August 2025. We saved a fresh copy on 18 October 2026.
Pages	The official form is 2 pages. This working copy is longer because the boxes are bigger, so they are easier to fill in on a phone.

Who fills in what

Four different people fill in parts of this form. Pass it along in this order.

Section 1	You, or your guardian. Your name, address, file number, Alberta Personal Health Number, date of birth.
Section 2	You, or your representative, plus a witness. Your permission for your health care provider to share information with AISH and ADAP, and for AISH and ADAP to talk to them.
Section 3	A doctor or other health professional who is NOT the person giving the treatment. Which service, your condition, why it is essential, what else was tried, the evidence, the expected improvement.
Section 4	That same doctor or health professional. Their name, address, phone, college licence or permit number, and signature.
Section 5	You, or your representative, plus a witness. Your permission for the treatment provider to share information with AISH and ADAP.
Sections 6 and 7	The person who will give the treatment, for example your massage therapist or physiotherapist. The treatment goal, how progress will be measured, home exercise and self management, cost, how often and for how long.

Two things people get caught by

- The professional who fills in Section 3 must not be the one providing the treatment. The form says so in its own words: "To be completed by Physician or other health professional NOT INVOLVED in providing the requested health service."
- You also need a separate treatment plan. The form says: "The client must obtain a separate treatment plan (including cost, frequency, duration, and expected outcome) from the health professional providing the requested health service."
- The form warns: "Please ensure that all the sections of this form are completed. Incomplete forms cannot be processed."

Section 3 Request Information

To be completed by a Physician or other health professional NOT INVOLVED in providing the requested health service. The client must obtain a separate treatment plan, including cost, frequency, duration and expected outcome, from the health professional providing the requested health service.

Which service is being requested

- [ ] Acupuncture
- [ ] Chiropractic
- [ ] Massage Therapy
- [ ] Physiotherapy
- [ ] Other, please specify

If Other, please specify

What medical condition will be treated by the provision of this service? How long has the individual had this condition?

Is this service essential to treat the individual's condition? Why is it essential?

If the service is not provided will it result in substantial short-term deterioration in the individual's health? If yes, why?
The form asks for a detailed explanation as to why short term deterioration will occur.

What alternative services are available and have been tried? What was the response when alternative services were tried?
Name all alternative services or treatments, when they were tried, and a detailed explanation of the response.

What objective and subjective evidence is available to support the need for the service for this individual? This should include findings from a physical exam and results of any investigations.

Will there be a substantial and sustained improvement in the individual's functioning and or symptom management? If yes, how will this improvement be measured? How long is the effect of this service expected to last?
The form asks for detailed information as to the expected improvement and the duration of the effect.

Please ensure that all the sections of this form are completed. Incomplete forms cannot be processed.

Before you send this in

- Ask your worker whether they will accept this working copy. If they will not, ask them to email or mail you the official DS5551.
- Keep a copy of everything you send, and note the date you sent it and who you sent it to.
- Send the separate treatment plan with the form. The form says an incomplete form cannot be processed.
- If you are told AISH and ADAP do not cover massage or physiotherapy at all, this form is the answer to that. It names both.

Where this came from

Rebuilt by ADSB from the official DS5551 Rev. 2026-07, downloaded from https://cfr.forms.gov.ab.ca/form/DS5551 on 18 October 2026. Wording of the questions and of the consent paragraphs is the government's own. The guide pages are ADSB's.
