

MONTHLY INCOME STATUS REPORT

AISH / ADAP Recipient Self-Declaration

ADSB-MISR-001 v1.0 • Released May 2026

WHAT THIS FORM IS FOR

AISH and ADAP recipients are required by Government of Alberta policy to report changes in employment and income to their worker as soon as possible (alberta.ca/aish-report-a-change). This form gives you a way to do that in writing — in months when you worked, in months when you did not, and in any month a change to your status occurred. Sending a written record protects your file when phone or email reports are lost, misplaced, or not entered.

How to use this form:

1. Fill in your name, file number, and the month you are reporting in Section 1.
2. Check the boxes in Section 2 that describe your income status this month. Attach paystubs if applicable.
3. Sign and date Section 3 on page 2.
4. Email the completed form to your AISH or ADAP worker (contact list on page 2). Keep a saved copy.
5. If your file is not updated within 10 business days, follow up in writing referencing the date you submitted.

AISH POLICY REFERENCE

Per the Government of Alberta (alberta.ca/aish-report-a-change): "You are responsible for reporting any changes in your situation to an AISH worker as soon as possible, including: ... starting, stopping or changes in a job / employment / work ... income you, or your spouse or partner get." The AISH Policy Manual's Maintaining Eligibility section confirms clients are required to advise their AISH worker of changes "as soon as they occur." This self-declaration is being submitted to fulfil that reporting obligation for the reporting month above.

HOW TO SUBMIT

Email this completed form to your AISH or ADAP worker using the contact list below. Keep a saved copy and the sent-email confirmation. If your file is not updated within 10 business days, follow up in writing.

The North Zone email address has changed

Use this address now

ALSS.NorthZoneDIA@gov.ab.ca

This is the AISH and ADAP inbox for the Edmonton area and northern Alberta. The contact pages in this form have been updated to it.

If that address fails, the old inbox still works as a redirect

northzoneaish@gov.ab.ca

Mail sent to the old address comes back with an automatic reply telling you to use the new one. Your message is not lost, but it may not be counted as received.

If you emailed the old address recently

1. Check your inbox and your junk folder for that automatic reply.
2. Send your documents again to the new address.
3. Keep the automatic reply. It shows the date you first sent your documents, which matters if you are up against a deadline.

One thing to know

Checked 6 October 2026: the government's own contact page at alberta.ca/contact-aish-and-adap still shows the old address for every Edmonton and northern office. That page has not caught up. Use the new address, and keep your automatic reply either way.
