If client cannot sign, was verbal consent granted?

☐ Yes ☐ No

Client Signature

Date (yyyy-mm-dd)

Things you need to know about requesting a Health Benefit Exception

The Health Benefits Exception Process (HBEP) / Committee (HBEC) lets eligible Health Benefits Card holders obtain medically necessary benefits outside the standard agreements for ambulance, optical, prescription/non-prescription drugs, nutritional products, diabetic supplies, and dental/denturist services.

What to do: Complete all applicable sections. Sign and date the form, and submit it with the additional forms/information needed for your request type. Incomplete forms will not be considered.

- Drug or nutritional product: have a medical practitioner complete form AEHB3810 (or a letter with the same information).
- Optical benefit: your optical provider must complete a Request for Optical Services form (AEHB4001).
- Dental benefit: your dental provider must supply an Alberta Blue Cross Explanation of Benefits and a standard claim form.

Review: The HBEP/HBEC provides a fair, neutral review based on legislation, policy, provider agreements and expert opinion. You will be notified of the decision in writing with reasons. The decision is final and cannot be appealed; however, if new or additional medical information is provided, your request will be reconsidered.

Where to send (AISH or Income Support): Email, mail, fax or drop off the request to the office where your worker is located.

Where to send (AAHB or ACHB): Assisted Living & Social Services Health Benefits Contact Centre, P.O. Box 2222, Edmonton, AB T5J 5H3. Fax: 310-0000 then 780-415-8386 (toll free), or in Edmonton 780-415-8386.
