

How to File Your Personal File Request

via the Government of Alberta Citizen Portal

This guide walks you through filing an Access to Information Act personal file request online — from landing page to submission confirmation. Every step shown with screenshots from the actual portal as of May 10, 2026.

Use this walkthrough if:

- You want to request your AISH, ADAP, FSCD, PDD, or Income Support file
- You have a Verified Alberta.ca Account (driver's licence/ID, registered phone, current address)
- You want to confirm submission electronically with a Request ID

If you do not have a Verified Alberta.ca Account — use the fillable mail-in form available on the campaign website instead. The portal requires identity verification through Service Alberta before you can submit.

Why this walkthrough exists

As of May 10, 2026, two of the four published ATI submission pathways are confirmed non-functional:

- The central intake email (SARTR.ATI-CentralIntake@gov.ab.ca) has been bouncing since at least May 8, 2026
- The published central intake fax line (780-422-3204) is non-responsive as of May 10, 2026

The Citizen Portal at **portal.ati.alberta.ca/citizenportal/app/application** is a working pathway, but it is not surfaced through the published alberta.ca routing pages — you have to know the URL to find it. This walkthrough was built so the working pathway is at least discoverable for the community.

All screenshots have been redacted of personal information.

Areas marked [REDACTED] are where YOUR information will appear when you complete the steps.

The Alberta Disability System Breakdown — Advocate
St. Albert, Alberta | May 2026
albertadisabilitybreakdown@outlook.com

What you need to file online

A Verified Alberta.ca Account is required to submit through the Citizen Portal. To get one, you will need:

- A current Alberta driver's licence or Alberta identification card
- A registered phone number
- A current Alberta mailing address

If you already use Alberta.ca services (vehicle registration renewal, MyAlberta Digital ID), you likely have a Verified account. If you have only a Basic account or no account, you can create one at account.alberta.ca before starting this walkthrough.

Information to have ready

Before starting, gather:

- Your AISH (or program) file number, if you have it
- The date your AISH/program eligibility was approved (your application date)
- The date your benefits started
- A photo of your photo ID (driver's licence, Alberta ID card, or passport) saved as a JPG or PDF — you will need to upload this for identity verification

How long it takes

Filing through the portal takes about **10 to 15 minutes** if you have your information ready. After submission, the public body has up to 30 business days to respond, which may be extended in some cases.

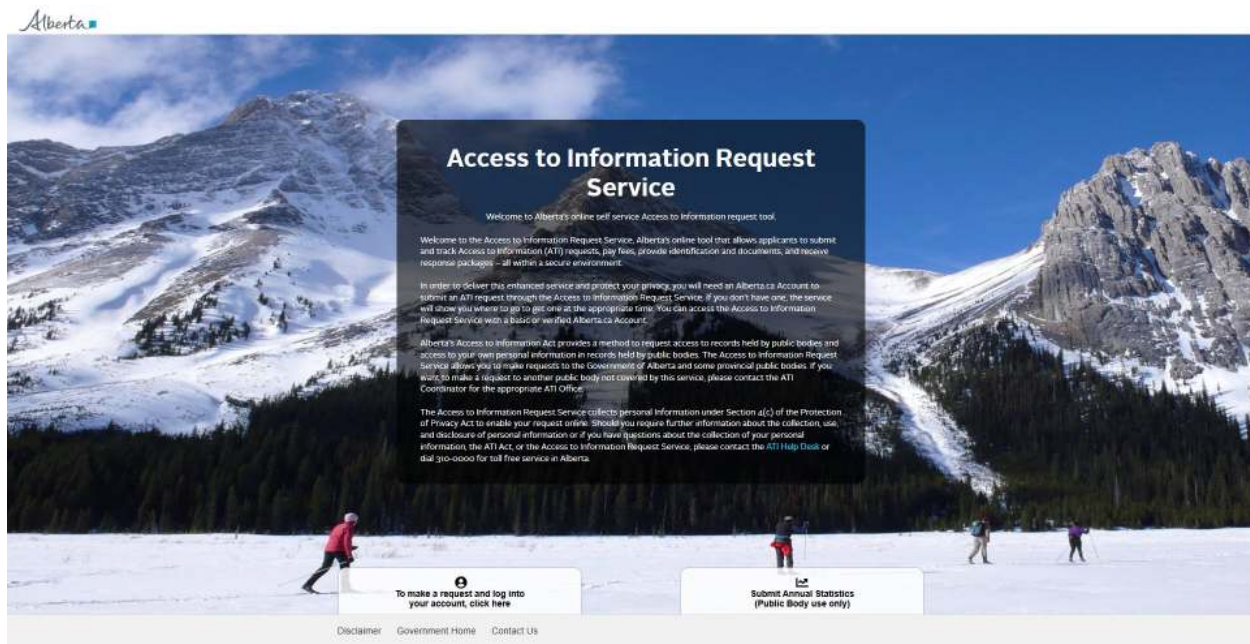

Cost

Personal file requests are free. No initial fee. The portal will confirm "You do not have any fee(s) to pay at this moment" at Step 4. (General information requests carry a \$25 initial fee, but personal file requests do not.)

1 Open the portal

Open your web browser and go to:

portal.ati.alberta.ca/citizenportal/app/application

The Access to Information Request Service landing page.

What to do

Click the box on the left labeled **“To make a request and log into your account, click here”**. The box on the right (“Submit Annual Statistics”) is for public-body staff use — ignore it.

2 Choose how you're submitting

Alberta

Sign In to Access to Information Request Service

To submit an access to information or correction request through Access to Information Request Service, please select one of the options below and sign in.

- ☒ I am submitting a request as an individual or on behalf of an individual
- ☐ I am submitting a request on behalf of a business or organization

[Sign In](#)

[Disclaimer](#) [Government Home](#) [Contact Us](#) V - 0.0.10

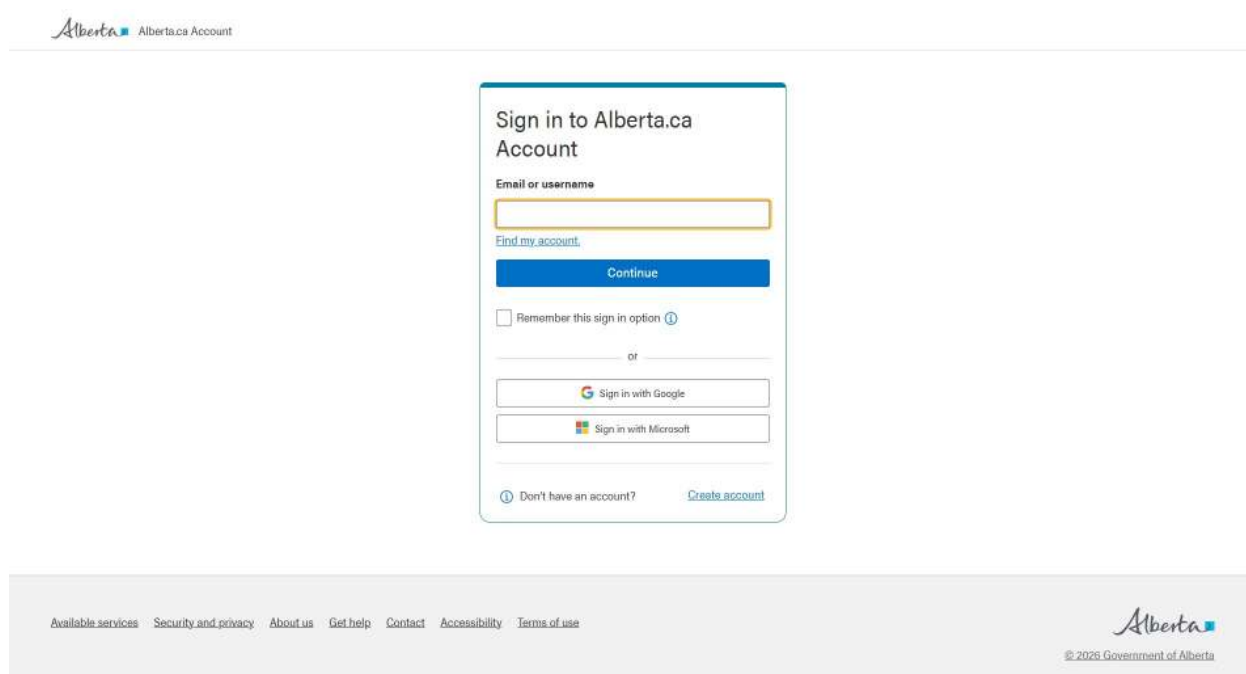

The applicant type selection page.

What to do

Select **“I am submitting a request as an individual or on behalf of an individual”** (the first option). The second option is for businesses or organizations only.

Click **Sign In**.

3 Sign in to your Alberta.ca Account

The screenshot shows the 'Sign in to Alberta.ca Account' page. At the top left is the Alberta logo and 'Alberta.ca Account'. The main content area is a white box with a blue border. Inside, the title 'Sign in to Alberta.ca Account' is at the top. Below it is a text input field labeled 'Email or username'. Under the field is a link 'Find my account'. A blue 'Continue' button is below that. Further down is a checkbox labeled 'Remember this sign in option' with an information icon. Below the checkbox is the word 'or'. There are two buttons: 'Sign in with Google' and 'Sign in with Microsoft'. At the bottom of the box are two links: 'Don't have an account?' and 'Create account'. The footer of the page is a grey bar containing links for 'Available services', 'Security and privacy', 'About us', 'Get help', 'Contact', 'Accessibility', and 'Terms of use' on the left, and the Alberta logo with '© 2026 Government of Alberta' on the right.

The Alberta.ca Account sign-in page.

What to do

Enter your email or username and click **Continue**. You can also sign in with Google or Microsoft if your Alberta.ca account is linked to one of those.

If you don't have an account yet, click **Create account** in the bottom right. Note: a newly created account starts as *Basic*; you will need to verify it (using your driver's licence or ID card) before you can submit through this portal.

4 Start a new request from your dashboard

The screenshot shows the Alberta Access to Information Request Service dashboard. At the top left is the Alberta logo. At the top right are links for Home, Help, and Log out. Below the header is a disclaimer: "This is a secure website for submitting requests through the Access to Information Request Service and is only accessible to the account holder. For information on accessing records under Alberta's ATIA, please visit the Alberta ATIA website." The main content area is divided into three sections. The first section, "Current Information Requests", includes a search bar with the placeholder "Type to filter the table columns..." and a blue button labeled "Make a New Information Request". Below this is a table with columns: Request Number, Legislation, Public Body, Status, Request Date, Due Date, and Actions. A yellow redaction band covers the table content with the text "[REDACTED — YOUR SUBMITTED REQUEST WILL APPEAR HERE]". The second section, "Request Details", shows "No request selected". The third section, "Completed Requests", includes a note: "Note: Completed Requests are available for you to download for 5 years. You do not have any completed requests at the moment." The fourth section, "Correction Requests", includes a note: "To request correction to personal information about yourself held by a Public Body, please make a new Correction Request. For more information, please visit the Alberta FOIP website." and a blue button labeled "Make a New Correction Request".

Your account dashboard after signing in. The redacted band is where YOUR submitted request will appear after Step 10.

What to do

Click the blue **“Make a New Information Request”** button on the right side of the Current Information Requests panel.

If you have submitted requests before, they will be listed in the table. Completed requests appear in their own panel below, and remain available for download for 5 years after closure.

5 Portal Step 1 — Make a Request

Alberta

Home Log out

1 Make a Request 2 Additional Information 3 Supporting Documents 4 Fees & Payment 5 Complete

New Information Request

* This input field is required.

Cancel Continue

Category dropdown options. Pick **Public/Individual** for a personal file request.

5 Portal Step 1 (continued) — Records description

In the text box on Step 1 labeled “**Clearly describe the records you are requesting**”, paste the text below. The bracketed placeholders are where you fill in YOUR own information.

■ COPY-PASTE: RECORDS DESCRIPTION (FOR STEP 1)

I am requesting access to my own personal information under the Access to Information Act (ATIA).

Specifically, I am requesting my complete AISH file from application date to present, including:

- All medical reports and assessments used in the eligibility decision
- All financial records and disclosures
- All caseworker notes and case logs
- All correspondence to and from the file (mail and email)
- Decision rationale documents and any internal review notes

Identifying information to help locate my file:

- File Number: [YOUR FILE NUMBER, IF YOU HAVE IT]
- Eligibility decision date: [YOUR ELIGIBILITY LETTER DATE]
- Benefits commenced: [YOUR BENEFITS START DATE]
- Prior program history: [IF RELEVANT, OTHERWISE LEAVE BLANK]

I would like the records provided in electronic format where possible.

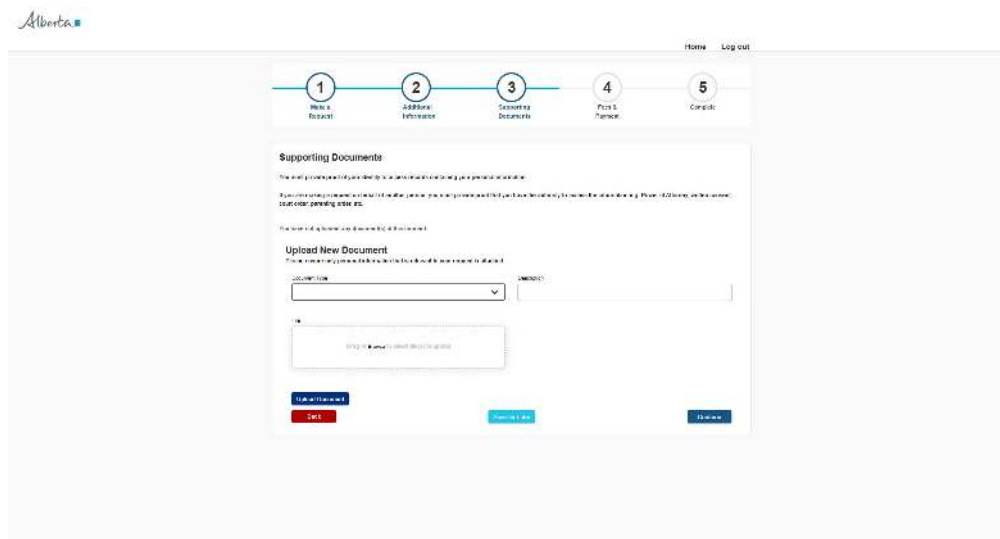

Replace each [BRACKETED] placeholder with your own information before clicking Continue.

If you are requesting a different file (FSCD, PDD, Income Support, or a specific decision), see Page 2 of the campaign's fillable form for alternative records templates. Substitute the alternative text in the same paste-in field.

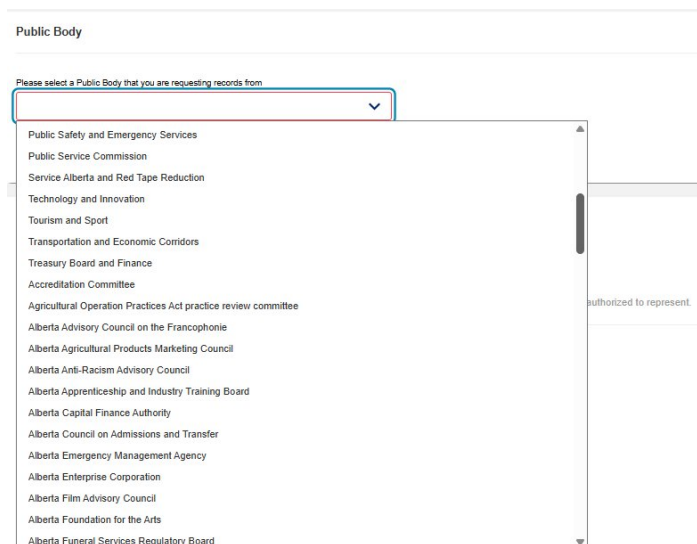

When the page is filled in, click **Continue** at the bottom right.

6 Portal Step 2 — Select the Public Body

Click the **Public Body** dropdown. It will show a scrollable list of all Government of Alberta departments and bodies. Below are both scroll positions of the dropdown so you know what's there:

Public Body dropdown — first scroll position.

Public Body dropdown — scrolled down.

6 Portal Step 2 (continued) — What to pick

Pick this

Select “**Assisted Living and Social Services**” from the dropdown.

This is the ministry that administers AISH, ADAP, FSCD, PDD, and Income Support. Your file lives here regardless of which of those programs you are on.

DO NOT pick “AISH Appeal Panel”

The AISH Appeal Panel is a separate body that hears appeals of AISH decisions. It does not hold your AISH file. Selecting it gets you only records of any appeal you've filed (or nothing if you've never appealed), not the underlying file you actually want. The right selection for your file is the ministry: Assisted Living and Social Services.

If you are requesting records from a different ministry

Pick the ministry that holds those records instead. Examples:

- Children's Services file → *Children and Family Services*
- Education records → *Education and Childcare*
- Court records → *Justice*
- Driver's licence or vehicle records → *Service Alberta and Red Tape Reduction*

7 Portal Step 2 (continued) — Request type and details

Request Type

Below the Public Body field, you'll see a **Request Type** selection.

- **General:** a request for information that is not personal (e.g. statistical data, policy documents)
- **Personal:** a request for records about you, or someone you are authorized to represent

For your own AISH/program file, select **Personal**.

Sub-Type

Select "**Not Applicable**". The site assessment / routine disclosure options are for Environment and Parks requests only.

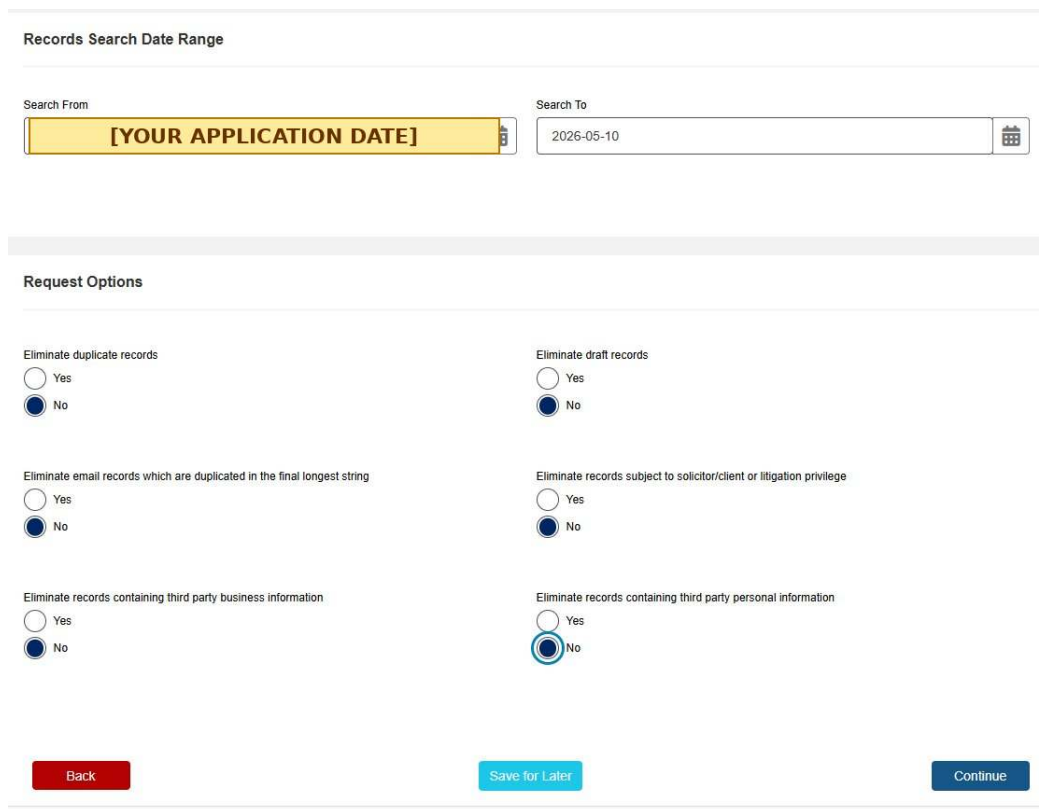

Location

Leave blank. This field is only required for Environment and Parks site assessments.

Records Search Date Range

- **Search From:** The date your file with this ministry began (your application date for AISH, ADAP, FSCD, PDD, or Income Support)
- **Search To:** Today's date

7 Portal Step 2 (continued) — Request Options

Records Search Date Range

Search From [YOUR APPLICATION DATE] 

Search To 2026-05-10 

Request Options

Eliminate duplicate records
☐ Yes
☒ No

Eliminate draft records
☐ Yes
☒ No

Eliminate email records which are duplicated in the final longest string
☐ Yes
☒ No

Eliminate records subject to solicitor/client or litigation privilege
☐ Yes
☒ No

Eliminate records containing third party business information
☐ Yes
☒ No

Eliminate records containing third party personal information
☐ Yes
☒ No

[Back](#) [Save for Later](#) [Continue](#)

Date Range fields (top) and Request Options (bottom). Redacted box is where YOUR application date goes.

Request Options — select “No” for all six

The portal asks six “eliminate records” questions. For a complete personal file request, answer **No** to all six. Saying “Yes” to any of them tells the ministry to exclude records from your response, which means you get less.

- Eliminate duplicate records → **No**
- Eliminate draft records → **No**
- Eliminate email records duplicated in the final longest string → **No**
- Eliminate records subject to solicitor/client or litigation privilege → **No**
- Eliminate records containing third party business information → **No**
- Eliminate records containing third party personal information → **No**

When all options are set, click **Continue**.

8 Portal Step 3 — Supporting Documents

On the Supporting Documents page, you must upload **proof of your identity** to access records containing your personal information.

Upload New Document
Please ensure only personal information that is relevant to your request is attached.

Document Type

Authorization of Representative

Photo Identification

Request Description

Support Document

Document Type dropdown (Step 3).

What to upload

- **Document Type:** *Photo Identification*
- **Description:** *Photo ID* (or similar short label)
- **File:** Drag your photo ID file into the drop zone, or click **Browse** to select it

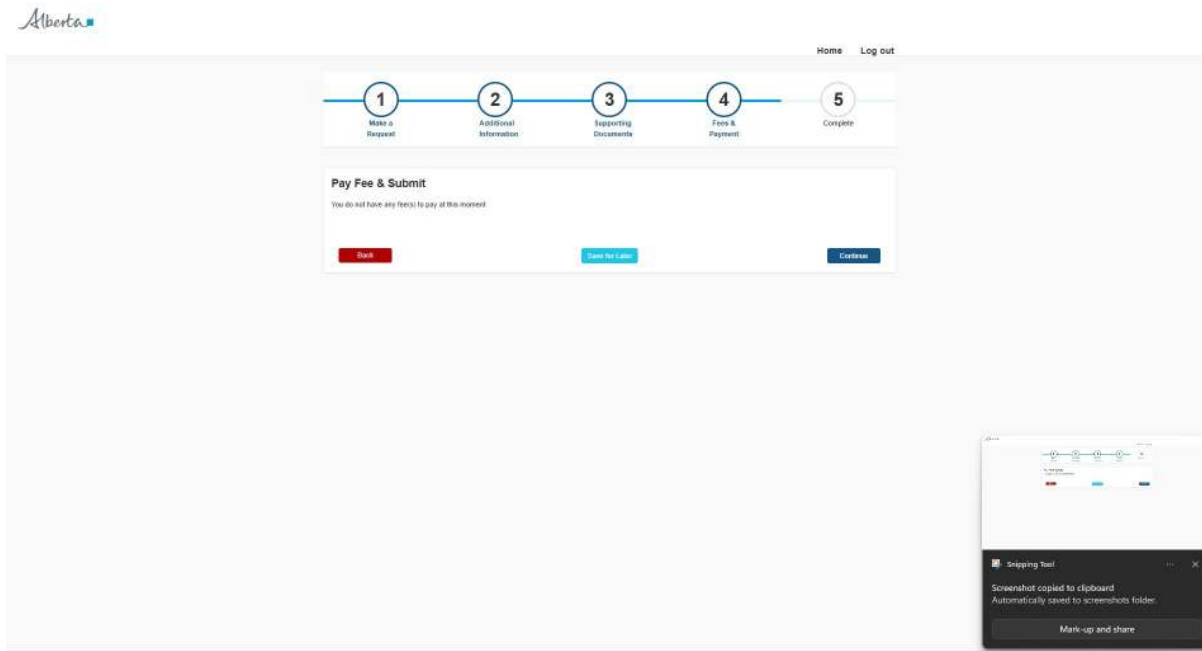

Acceptable photo ID: Alberta driver's licence, Alberta identification card, or passport. JPG or PDF format. Click **Upload Document**.

If you're filing on behalf of someone else

You will need to upload an **Authorization of Representative** document (power of attorney, written consent, court order, or parenting order) in addition to ID. Use the dropdown to select that document type for the additional upload.

Once uploaded, click **Continue**.

9 Portal Step 4 — Pay Fee & Submit

The Pay Fee & Submit page. For personal file requests, there is no fee.

What to do

Personal file requests carry no fee. The page will say **“You do not have any fee(s) to pay at this moment.”**

Click **Continue** to submit.

If you see a fee here, double-check that you selected *Personal* as the Request Type back on Step 2 (not *General*). General requests carry a \$25 initial fee. Click **Back** to return to earlier steps if needed.

10 Portal Step 5 — Complete

1

Make a Request

2

Additional Information

3

Supporting Documents

4

Fees & Payment

5

Complete

Thank You

Your request has been submitted.

Please see a summary of your request below.

Request Summary

Request Number	Assisted Living and Social Services	Status	Submitted
Public Body	Personal	Request Date	2026-05-10
Request Type		Due Date	
Request ID	[YOUR ID]	Closed Date	

You will be contacted if additional information is required.

Once your submitted request is validated, you will receive a reply regarding your request status.

Go to Home

The Thank You confirmation page. Your Request ID is redacted; yours will appear in the same spot.

What this means

Your request is submitted. The Request Summary shows the key facts:

- **Public Body:** Assisted Living and Social Services
- **Request Type:** Personal
- **Status:** Submitted
- **Request Date:** The date you submitted
- **Request ID:** A unique number assigned by the system

Save your Request ID

Write down your Request ID, or take a screenshot of this page. You will use it to refer to your request in any future communication with the ministry, and to check progress in your dashboard.

What happens next

The 30-business-day clock

Under the Access to Information Act, the public body has **30 business days** from the date your request is validated to respond. “Validated” means the ministry has confirmed your identification and the request details. The clock does not start the moment you submit; it starts when validation completes.

The 30-business-day clock can be extended in certain circumstances (large volume of records, third-party consultations, etc.). If your deadline is extended, the ministry must notify you in writing.

Checking your status

Return to the dashboard (Step 4 of this walkthrough) any time to see status updates. Status will move from *Submitted* to *In Progress* to *Complete* as the ministry works through it.

If you have questions about the request itself

You can email the campaign at albertadisabilitybreakdown@outlook.com with general questions about how to fill the form or what to ask for. **Do not** send your AISH file number, personal phone number, full legal name, or any of your file contents to the campaign email — those belong only in the request itself, in your direct contact with the ministry, or with your own caseworker.

If the ministry doesn't respond in 30 business days

You can file a complaint with the Office of the Information and Privacy Commissioner of Alberta (OIPC). Their inquiry process is independent of the ministry and free to applicants. Details at oipc.ab.ca.
