ADSB-ASK-001 v1.0 • Released November 2026

WHO THIS LETTER IS FOR

Anyone in Alberta who wants to know, in writing, what a party or candidate will do about AISH, ADAP and the cost of living for disabled people before the next provincial election.

WHO TO SEND IT TO

Send it to **every** party and candidate you want an answer from, not just one. Send the same letter to each, so you can compare their answers side by side.

- **Your own MLA.** Find yours at contact.assembly.ab.ca.
- **Each political party.** Use the contact page on each party's website.
- **Candidates in your riding**, once they are named. Their contact details are usually on their campaign pages.

HOW TO USE IT

1. Fill in the boxes below and your name and signature on page 3.
2. Add your own story on page 3 if you want to. It is optional, but a real story is what people remember.
3. Save it as a PDF and attach it to an email, or print it and mail it. Keep a copy.
4. Put this in the email subject line: **"Where does your party stand on AISH and ADAP?"**
5. When you get answers, keep them. Write down the date and who answered.

This letter does not support or oppose any party. It asks every party the same questions.

Hello,

I am writing to ask where you and your party stand on the programs that thousands of disabled Albertans live on. Please answer each question in writing. A clear yes or no, and what you would do, will tell me what I need to know.

1. CANADA DISABILITY BENEFIT CLAWBACK

Since April 2026, the Canada Disability Benefit (CDB) has been taken off AISH and ADAP payments dollar for dollar. Will your party let AISH and ADAP clients keep the CDB? And will you pay back what has already been clawed back?

2. THE MOVE FROM AISH TO ADAP

On July 2, 2026, many AISH clients were moved to ADAP without a new medical assessment. Will your party let them return to AISH without having to reapply?

3. THE MONTHLY AMOUNT

ADAP pays $1,740 a month, $200 less than AISH's $1,940. People moved from AISH get a $200 transition benefit only until December 31, 2027. Will your party keep their payment from dropping after that date?

4. KEEPING WHAT WE EARN

Until July 1, 2026, AISH let a single person keep the first $1,072 a month they earned. Now AISH lets them keep $350. Will your party raise the amount AISH and ADAP clients can earn before their benefit is reduced?

5. KEEPING UP WITH THE COST OF LIVING

Will your party raise AISH and ADAP every year by the full rise in the cost of living, with no cap?

6. RENT IN SUBSIDIZED HOUSING

The Canada Child Benefit will start counting as income for the Rent Assistance Benefit on January 1, 2027, and for community housing rent on January 1, 2028. Will your party stop counting the Canada Child Benefit when setting rent?

7. BEING ASKED FIRST

Will your party commit to consulting disabled Albertans and their families, in public and in writing, before any change to AISH, ADAP or their rules?

WHY THIS MATTERS TO ME (optional)

A few lines about your own life: what changed for you since July, what your money has to cover, what you are afraid of. Leave out anything private you don't want to share, like your file number or medical details.

My story

I will be sharing the answers I receive with other disabled Albertans and their families, so we can all make an informed choice. Thank you for your time. I look forward to your reply.

Sincerely,
