| Element 2.4 Career and Employment Services, 2024-25 reported | <b>\$81,053,000</b>                  | Annual Report        |
| Element 2.4, 2025-26 budget / forecast                       | <b>\$184,779,000 / \$166,479,000</b> | 2026-27 Estimates    |

| Line                                              | Amount                 | Source                   |
|---------------------------------------------------|------------------------|--------------------------|
| Element 2.4, 2026-27 estimate                     | <b>\$246,800,000</b>   | <i>2026-27 Estimates</i> |
| Disability Income Assistance line, 2027-28 target | <b>\$1,713,000,000</b> | <i>Fiscal Plan p.84</i>  |
| Same line, 2028-29 target                         | <b>\$1,647,000,000</b> | <i>Fiscal Plan p.84</i>  |

**ARITHMETIC — ours, not the government's**

Benefits 2024-25 to 2026-27: **down about \$23 million.**

Administration 2024-25 to 2026-27: **up about \$48 million, 2.18 times.** Roughly \$45 million of it is explained in estimates as a reclassification.

Employment services 2024-25 to 2026-27: **3.04 times larger.**

Disability Income Assistance line, 2027-28 to 2028-29: **falls \$66 million.** The transition benefit ends 31 December 2027. The Fiscal Plan draws no connection and neither do we.

Element 2.4 underspent its budget in every closed year checked.
