SECTION 3 -- YOUR BARRIERS TO EMPLOYMENT PARTICIPATION (CHECK ALL THAT APPLY)

One documented barrier is enough to require accommodation. Check every barrier that honestly applies to you.

- | | |
|---|---|
| ☐ No vehicle -- I do not have access to a car | ☐ Children with complex needs -- no safe alternative care |
| ☐ Cannot use public transit due to a documented disability | ☐ EA / support worker is intermittent without advance notice |
| ☐ Cannot afford Uber / taxi / private transportation | ☐ Medical appointments conflict with programming schedule |

- | | |
|--|--|
| ☐ Cannot walk distances to reach transit or workshops | ☐ No advance notice of schedule to arrange alternative care |
| ☐ Episodic disability -- condition prevents reliable attendance | ☐ Mental health condition prevents group/public attendance |
| ☐ Caregiver obligations -- dependents need direct supervision | ☐ Other -- describe below |
| ☐ Active medical protocols -- must respond to emergencies | |

If none of the above fully describes your situation, or if you want to add more detail, use the space below:

Example: "I have been diagnosed with [condition] since [year]. My condition causes [symptoms] that make it impossible for me to reliably attend scheduled programming. I am also the sole caregiver for [child/dependent] who has [needs] and cannot be left unsupervised. I do not have a vehicle and cannot afford taxi or Uber transportation on \$1,685 per month after rent and utilities. I am not refusing to participate -- I am unable to participate safely given my circumstances."

Describe your situation in your own words:

Email Subject Line -- copy this exactly into your email subject field:

Formal Notice -- Barriers to ADAP Employment Participation Requirements -- AISH Recipient

To Whom It May Concern,

I am writing to formally notify the AISH/ADAP Program of documented barriers that will prevent my participation in ADAP employment workshops and employment programming as currently described. I am an AISH recipient subject to the mandatory transition effective July 1, 2026.

My full legal name, AISH file number, contact information, documented barriers, and personal description of my situation are set out in this completed form, which constitutes my formal notice. The barriers I have identified in Section 3 are the grounds on which I am requesting written accommodation.

I am formally requesting written confirmation of:

1. What transportation accommodations ADAP will provide to recipients who cannot access public transit due to a documented disability.
2. What accommodations will be provided for recipients whose caregiving obligations prevent consistent attendance at employment programming.
3. Whether non-attendance due to the barriers documented in Section 3 will result in benefit reduction or penalization -- and if so, what the appeal process is.
4. Written confirmation that this notice has been received and entered into my AISH/ADAP file.

Note -- if applicable: I have also submitted a formal request to FSCD for increased respite support to cover ADAP employment participation hours. Any compliance assessment should account for the fact that this support infrastructure is currently pending government review.

I am requesting a written response no later than June 1, 2026.

Note: Your name and contact details from Section 1 (page 1) serve as your signature on this notice.

SECTION 5 -- AFTER YOU SEND

- ✓ Screenshot your sent email showing the date, time, subject line, and recipient address.
- ✓ Save any auto-reply or delivery confirmation you receive -- that is your proof of receipt.

- ✓ If no response within 14 business days, reply to your original sent email requesting an update.
- ✓ If ADAP penalizes you for non-attendance before responding to this notice, that is a formal complaint.
- ✓ Keep everything. This completed form is the start of your evidence file.

KEY PRINCIPLE: If ADAP provides accommodation -- you get the support you need.

If ADAP says no or does not respond -- you have documented proof that the government required employment participation and refused to address the barriers that make it impossible for you.

Either way, the record works in your favour.

WHAT YOU SHOULD KNOW -- KEY FACTS ABOUT ADAP (SOURCED FROM PUBLIC RECORD)

79,290	Albertans currently receiving AISH who will be subject to mandatory ADAP transition by July 1, 2026. No individual reassessment is required before transfer. (Alberta Government Budget 2024-25)
\$1,685/ mo	Maximum ADAP benefit rate. After average rent in Alberta (\$1,300-1,800 for a 1-bedroom), most recipients have less than \$400 remaining for food, medication, transportation, and all other expenses.
\$0	Amount ADAP currently allocates for transportation to employment programming. No transportation supplement exists. Recipients are expected to attend workshops with no travel support provided.
FINAL	Medical Review Panel decisions under ADAP are final and cannot be appealed to an independent body. The Citizens Appeal Panel -- which previously reviewed AISH decisions -- was eliminated by Bill 12 in December 2025.
June 1	The deadline you have set for a written government response to this notice. If no response is received, this notice becomes the foundation for a formal complaint to the Alberta Ombudsman, the Human Rights Commission, or the federal HUMA Committee.
14 days	The standard government response window for written accommodation requests. If ADAP penalizes you for non-attendance before responding to this documented notice, that penalization is a procedural fairness violation.
