

Direct deposit for the Alberta Seniors Benefit and Special Needs Assistance

Alberta Seniors Benefit and Special Needs Assistance for Seniors | Official form 0880-16 (July 2026) | Built 1 October 2026

About this form

This is a fillable working copy built by The Alberta Disability System Breakdown. It captures everything the official **Direct Deposit Request (Alberta Seniors Benefit and Special Needs Assistance, form 0880-16 (July 2026))** asks, and it opens and fills on any phone, tablet or computer. **It is NOT an official Government of Alberta form.**

The official version: form 0880-16, July 2026, from alberta.ca/seniors-financial-assistance, or by calling the Alberta Supports Contact Centre at 1-877-644-9992.

This is not legal advice. Read the guide pages first, then fill in the form pages.

What this form is for

This form tells the program which bank account to pay your money into. It covers the Alberta Seniors Benefit and Special Needs Assistance for Seniors.

Use it the first time you set up direct deposit, and again any time you change banks or close your account. The government calls the second use a "Banking Information Change".

Before you start, have these ready

- Your Personal Health Number (the number on your Alberta health card).
- Your Social Insurance Number.
- If the money is going into a **chequing** account: one of your personalized cheques, with your name, address and account number printed on it by your bank.
- If the money is going into a **savings** account: a trip to your bank or credit union. They have to fill in and stamp part of the form for you.

How to fill it out

Section A: your information

Fill in every box: your name, address, phone number, Social Insurance Number and Personal Health Number. The "File number" box on the government form is for their office only, so it is left off this copy.

Section B: chequing or savings

Chequing account. Take one of your personalized cheques. Write VOID in big letters across the front. Write your Personal Health Number in the top right-hand corner of the cheque. Attach it to the form. That is all: you do not need to fill in Section C or sign Section D.

Savings account. Fill in Section A, then take the form to your bank. A staff member fills in Section C, signs it, and stamps it. Then you sign Section D. The order matters: the bank first, then you.

Section C: the bank fills this in

Only for savings accounts. The bank confirms the account is in your name, signs, adds its phone number and the date, and stamps the box.

Section D: your signature

Sign by hand, in pen, and add your phone number and the date. If you sign with an X, someone has to read the form to you first and sign as your witness.

What happens after

Your payments go into the account on the form. If you change or close that account, the form says you must tell the Alberta Seniors Benefit program right away. Send a new form.

The program also asks you to tell them about changes to your address, your marriage or living-together status, and your eligibility for the Old Age Security pension.

Questions: Alberta Supports Contact Centre, 1-877-644-9992. Have your Personal Health Number ready.

Good to know

The form's own privacy notice says the information "will be input into an automated system to generate content, make decisions, recommendations or predictions." That is the government's wording, printed on the July 2026 form.

You can update some personal information online. The form points to alberta.ca/seniors-financial-assistance for that.

Protect this form

This form holds your Social Insurance Number and your bank details. Send it through the online upload, fax or mail, not by ordinary email. Once it is sent, delete any copy saved on your phone or computer, and keep the paper copy somewhere safe.
