

ADAP Exemption — Caregiver Statement

For caregivers, guardians, trustees, spouses, and family members — on behalf of a recipient

WHEN TO USE THIS FORM

Since May 12, 2026, the Government of Alberta has been issuing placement letters telling AISH recipients whether they remain on AISH or transition to ADAP in July 2026. Four categories of recipients are exempt and automatically remain on AISH. Use this form if you are a caregiver, guardian, trustee, spouse, family member, or support person completing it on a recipient's behalf, to document the category the recipient falls in, the communication received about their status, and any contradiction between the published criteria and the recipient's placement letter.

THE FOUR EXEMPT CATEGORIES

From the Government of Alberta's ADAP page and the May 12, 2026 ADAP Fact Sheet. Each category is written with "or" — meeting any one branch is enough.

- A severe and profound developmental disability, OR deemed eligible for or receiving PDD services
- A palliative or terminal medical condition
- Living in a continuing care home
- Age 60 or older

HOW TO USE THIS FORM

1. Fill in the recipient's information and check their exemption category (page 2).
2. Fill in your information and your relationship to the recipient (page 3).
3. Check the communication received and add any details.
4. Sign and date (page 4).
5. Send copies to the recipients on the last page. Keep a signed copy with the recipient's records.

WHERE IT GOES: the recipient's MLA, the Minister, the Ombudsman, and the campaign record. Full list on the last page.

1. RECIPIENT INFORMATION (the person being protected from transition)

Recipient's full legal name _____

Recipient's date of birth _____ Recipient's AISH file number _____

Recipient's mailing address _____

2. RECIPIENT'S EXEMPTION CATEGORY

Check the box(es) that apply to the recipient. For the developmental-disability category, the criterion is written with “or,” so meeting any one branch is enough — the recipient does not need to be enrolled in PDD.

The recipient is 60 years of age or older.

Developmental disability — the criterion reads: a severe and profound developmental disability, OR deemed eligible for or receiving PDD services. Check any that apply:

The recipient has a severe and profound developmental disability.

The recipient has been deemed eligible for Persons with Developmental Disabilities (PDD) services.

The recipient is receiving Persons with Developmental Disabilities (PDD) services.

The recipient is a resident of a continuing care home (Type A — long-term care; or Type B — designated supportive living).

The recipient is receiving palliative or end-of-life care.

3. CAREGIVER INFORMATION (the person completing this form)

Your full legal name _____ Your phone (optional) _____

Your mailing address _____ Your email (optional) _____

Your relationship to the recipient (check all that apply)

Parent or legal guardian of recipient

Spouse, common-law partner, or close family member

Trustee, personal directive agent, or power-of-attorney holder

Formal paid caregiver, support worker, or care-team member

Adult child of recipient

Other (specify in Section 5 below)

Formal legal authority (if any) — e.g., guardian under AGTA, trustee, agent under personal directive

4. COMMUNICATION RECEIVED ABOUT THE RECIPIENT

Check all that apply:

I was informed verbally by an AISH caseworker, a Government of Alberta employee, or a healthcare professional that the recipient is not transitioning to ADAP because of the exemption category above.

The recipient (or I, on their behalf) received a written letter from the Government of Alberta confirming the recipient is remaining on AISH.

The recipient received a placement letter dated on or after May 12, 2026 indicating the recipient is being transitioned to ADAP — despite being in the exempt category above. This contradicts the Government's own published criteria.

We have not received direct communication but understand from publicly available information that the recipient is in an exempt category.

Other communication received (please specify in Section 5 below).

Date of communication (YYYY-MM-DD) _____ Official name (if known) _____

5. STATEMENT AND DETAILS

I am completing this form on behalf of the recipient named in Section 1 to document the recipient's exemption status under the AISH-to-ADAP transition framework. The Government of Alberta has identified four exempt categories, and the recipient belongs to one of those categories. I am completing this form either (a) to document the recipient's expectation of remaining on AISH consistent with that exemption, or (b) to formally contest a placement decision that contradicts the published exemption criteria.

Additional details, concerns, or notes (optional)

Maximum: 2000 characters.

6. SIGNATURE AND DATE

Caregiver signature (type your full name)

Date signed
