

Access to Information Request

Personal Access Request — ask the Government of Alberta for a copy of your own file

WHEN TO USE THIS FORM

Use this form to request a copy of your own file from the Government of Alberta — your AISH file, or your FSCD, PDD, or the records behind a specific decision. This is your right under Alberta’s access-to-information law, and there is no fee for your own personal information. The form on page 3 comes pre-filled with a full AISH file request; you can use it as-is, or swap in one of the other templates on page 2.

BEFORE YOU FILL THIS OUT

This form goes to the Government of Alberta, not to the campaign. Do not send your completed form, or any of your personal file information, to the campaign email — we cannot submit it for you, and your personal information should not sit in a third party’s inbox. If you have a question about how to fill it out (not how to submit it), you can email the campaign with no personal information attached.

HOW TO USE THIS FORM

1. Optional: if you want records other than your full AISH file, read the templates on page 2 and paste the one you need into the records box.
2. Fill in your details and your request on page 3.
3. Sign and date.
4. Send it to the Government of Alberta using one of the submission options on the last page. Keep a copy.

WHERE IT GOES: the Government of Alberta (not the campaign). Full submission options are on the last page.

Page 3 is pre-filled with the default full AISH file request below. For other record types (FSCD, PDD, or a faster decision-only request), paste the matching template into the records box on page 3 and change the public body field to match.
